SENIOR SESSIONS

\$595

I'm just going to say it... **SENIOR SESSIONS ARE MY FAVORITE PHOTO SESSIONS!!**

Senior sessions aren't like ordinary photo shoots. We laugh, we explore, we chat. Together we create images you will treasure and an experience that you will always remember. If possible, I would love to meet you prior to our session and make a plan together. Your ideas, requests and desired style are very important to me.

Sessions typically run 1.5-2 hours and includes 30-40 beautifully edited and retouched images with full print rights. Slideshow to music delivered on both USB and internet link for sharing.

DESIREE KEELTY PHOTOGRAPHY

Every family session is flat-rate and all-inclusive. No surprises at viewing time.
