Metallic Prints
- Session runs one to one and a half hours

\$595

Im just going to say it... senior sessions are my FAVORITE PHOTO SESSIONS. Senior sessions aren't like normal photoshoots. We laugh, we explore, we chat. Together we create images you will treasure and an experience you will always remember. If possibly, I would love to meet you prior to our sessions to make a plan together! Your ideas, requests and desired styles are very important to me.
